

Welcome to the Gale Street Inn where a legacy of hospitality and conviviality has lived since 1963. We serve you today on the backs of the hard working professionals that came before us and we thank them for setting this stage. Within the current service team around you there is a core group who've been together for 20 years. We love what we do and we'll work hard to show you that you made a good choice to dine here today.

Our guests come from all over this great city and thanks to that airport up the road, well beyond. We have locals who frequent quite often and we have regulars who visit once or twice a year... for over 40 years in a row, thanks to you all! We are a friendly place, a celebration place and we'll always aim to be that happy place. We don't play favorites, we know some better than others and we'd like to know you all. If this is your first visit please tell us and we can get you on our radar as we are now on yours.

We're a mostly "from scratch" kitchen. We source and invest in quality proteins, produce and ingredients and take great pride in our preparation in presenting them to you. Items on our menu have come and gone over the years but feel free to ask for an old favorite and we just may be able to accommodate. Finally, if there is anything we can do to make your experience with us better, do not hesitate to stop any of us and we'll help make it happen.

We're glad you're here... The Gale Street Team.
